CURRICULUM PILOT PROJECT DIRECTORY

1992 - 1993

Program Development and Implementation Branch
Department of Education
Fredericton, N. B.

FOREWORD

Under the Schools Act and Regulations, a pilot course is defined as "an instructional course, subject to criteria approved by the Minister, conducted to determine the feasibility of its inclusion in the prescribed curricula of the province".

The projects listed here have been initiated by the Program Development and Implementation Branch, are under the supervision of the Branch, and reflect current priorities in program development.

The Program Development and Implementation Branch appreciates the cooperation and support of district and school personnel working with us on these projects.

Barry Lyden.

Director of Program Development
and Implementation
